Choral Vivace

CHORAL VIVACE is a major new choral series by the internationally-acclaimed Australian composer Sandra Milliken. A noted choir director, clinician, adjudicator, accompanist and singing teacher, Sandra Milliken's work is ideally written for voices, and is particularly appealing to youth choirs.

The **Choral Vivace** series:

- a varied collection of choral music for upper and mixed voices
- graded into three levels – easy, intermediate and advanced
- ideal for both youth and adult choirs, either unaccompanied or with piano

"Sandra's music is composed with the sound of expressive voices in mind – it's alive with spirit and soul, making it a pleasure to explore."

Emily Cox, Director – Canticum Chamber Choir and the Brisbane Chorale

"Sandra is a most interesting and creative composer whose skills as pianist and choral conductor are clearly apparent in her lovely and inspiring songs. Her music will continue to be a delight for choirs around the world."

SANDRA MILLIKEN is a music graduate of the University of New England and also holds a Masters degree in choral conducting from the University of Queensland. In 2001 she was awarded a Churchill Fellowship that enabled her to further her studies in choral conducting, vocal and choral pedagogy, and the management of youth and women's choirs. During this time she had the opportunity to observe and work with many international choral music conductors and composers in England, Sweden, Finland, the United States and Canada.

Sandra has had a long involvement with choral singing and conducting, and has won many awards for her achievements in both areas. She is the Artistic Director of the Queensland Youth Choir in her home city of Brisbane, conducting their senior ensemble *VoiceWorks*, and is also the musical director/conductor of The Bayside Divas, the Blackstone Ipswich Cambrian Choir and Cannon Hill Anglican College junior choirs.

A versatile composer with a fresh melodic and harmonic approach, Sandra's works have been commissioned, performed and recorded in England, Finland, Estonia, Iceland, New Zealand, Japan, Australia, Canada and the USA. Her compositions range from straightforward to challenging, and have a broad appeal to singers across all age groups.
