

I shall compose pleasant psalms and weave
hymns, because for you shall my soul pine.

My soul desired the shelter of your hand, to
know every mystery of your secret.

As I speak of your glory, my heart yearns
for your love.

Therefore I shall speak of your glories, and
your name I shall honor with loving songs.

Old Jewish song

An'im Semiraus

reduced version

Lyrics: Old Jewish sor
Music: Jacob Müh'
Adaption: Sofia
